Signature witnessed by T. Cassin, D.S. 55

I am a taxi driver and I live at the above address. I am divorced.

I remember that sometime ago, I was driving my taxi, when I had an occasion to sign a document for Mr. Russell Pearman. I knew Mr. Pearman as I used to drive him many times. On this one occasion I picked up Mr. Pearman somewhere in town, I can't say where. It was in the morning time, and I drove him to the rear of Government Gate, that's to the left of St. Monica's Mission. He told me to stop nearby a man standing on the bank looking towards the North Shore. Mr. Pearman went over to this man and I saw him showing this man a piece of paper. This man is named Smith. I think it's Howard Smith. Mr. Pearman then came back to the taxi with this paper he had shown Smith, and the paper was folded over a couple of times. Mr. Pearman asked me to sign the paper as a witness, and I did. I saw no names or writing on this paper. I knew Mr. Pearman was in Real Estate and I figured he was doing a deal with Mr. Smith, and he wanted me to be their witness to it. Mr. Pearman then went back to Mr. Smith, showed him the paper as if to say is that all right, then he came back to the taxi and told me to drive him to town. He had this piece of paper with him when he came back to the taxi. I took him back

to town and I can't say where I dropped him off to. I definitely only signed my signature once, and that's the only time I have ever signed my name for Mr. Pearman. I have never had any dealings with Mr. Pearman except drive him in my taxi. I was paid nothing for my signature.

I have been shown a copy of a sales agreement by D/Sgt. Cassin. My signature is on that agreement. I have been told by D.Sgt. Cassin that he had 2 agreements with my signature in both, and both signatures are originals. That cannot be right. I only signed one form. I only signed my signature once. I'm sure about this. I now think that the paper I signed was bigger than the one shown to me by Sgt. Cassin. I really cannot be definite on this point. I am definite I only gave one signature, and the one I've been shown looks like mine. If there is (2) two signatures, then one of them was made by someone else.
